ULVERSTONE

BY THE SEA

We've all heard of the three golden rules for buying property - Location, Location, Location.

Well, this home has all three - in spades!

As solid as the day it was built (c 1976), this lowset brick and tile home on an easy-care 696sqm fenced block has the space to accommodate a busy family and provides a low maintenance option for empty nesters or those who require a solid downsizing option.

Positioned smack bang in the middle of the Leighlands School precinct, and with Sacred Heart and East Ulverstone schools very close by, you know why this location is sought after.

But that's not all!

Walk out the back gate, stroll less than 100 metres and you are on the sands of Buttons Beach, also surrounded by parks and biking routes.

So, what's this home got to offer?

- Three oversized bedrooms with built-ins, a walk-in robe in the main bedroom
- Two bathrooms: ensuite of the main bedroom and modern full
